

## Williams Emtal Talc Settlement Fund -Law Firm Registration Form-

Please complete this form to register your law firm with the William Emtal Talc Settlement Fund ("Settlement Fund"). Registration is required in order to obtain access to the Settlement Fund's Online Claims submission and reporting tools, and will also serve to expedite issuance of payments when funds are disbursed. If your firm will require more than one user account to access the online tools, the account for the Primary Administrative Contact listed below will be configured to permit the creation of additional user accounts.

Send the completed form via mail, email or fax as indicated below:
